

Assessing Accession – Central and Eastern Europe in the EU & EU-Russia

One Day Specialist Workshop
**Central and East European Energy Strategies: Creating a Sustainable
Energy Future within the EU**
University of Glasgow - Friday 2nd March 2012

Provisional Programme (subject to change)

‘Assessing Accession – CEE in the EU’ and ‘EU-Russia’ will jointly present this specialist workshop on energy strategies in Russia, Central and Eastern Europe. The workshop will consist of 12 papers presented over 3 panel sessions. The workshop is sponsored by CRCEES, UACES and BASEES.

For updated details please check the workshop webpage at http://www.gla.ac.uk/schools/socialpolitical/crcees/newsevents/headline_216744_en.html. It is recommended that papers should be circulated to participants at least one week in advance, therefore we ask that you email your paper to eamonn.butler@glasgow.ac.uk no later than Friday 24th February 2012 so that they can be distributed.

The location of the workshop will be the CRCEES Seminar Room, University of Glasgow, 8 Lilybank Gardens, Glasgow, G12 8RZ.

If you have any queries about the workshop please contact the organisers at eamonn.butler@glasgow.ac.uk

A provisional timetable is available overleaf.

Provisional Workshop Timetable

CEE Energy Strategies: Creating a Sustainable Energy Future within the EU

9.30am	Arrival and Coffee
9.45am	Welcome Address – Dr Richard Berry, Director CRCEES
10.00am	Panel 1: <ul style="list-style-type: none"> • Scott Nicholas Romaniuk (University of Aberdeen, UK) The Crisis of Energy Security in Central and Eastern Europe • Giedrius Česnakas (Vytautas Magnus University, Lithuania) The Connection between Russian Federation Energy and Foreign Policy Strategies/Concepts and its Energy Politics in western CIS • Jack Sharples (University of Glasgow, UK) Russia's European Gas Export Strategy and the Implications for Central Europe • Marc Ozawa (University of Cambridge, UK) Trust and European-Russian Energy Trade: The Case of Natural Gas Partnerships
12 noon	Lunch
1.00pm	Panel 2: <ul style="list-style-type: none"> • Stéphanie Garstin and Stefan Bouzarovski (University of Birmingham, UK) Governing Nuclear Power in Poland: Conflicting Politics of Scale, Infrastructure and Socio-technical Assemblage • Alvin Almendrala Camba (University College London, UK) The politics of Unconventional Energy Resources: A Stepwise Comparison between Estonian Oil Shale and Poland's Coal and Shale Gas, 1994-2011 • Konstantinos Delaportas (University College London, UK) An Investigation into the Determinants of Diffusion of Wind Power, with Special Emphasis on Central and Eastern Europe • Anatole Boute (University of Aberdeen, UK) Towards a EU-Russia Renewable Energy Plan: the Baltic States as a Bridge to Export Electricity Produced from Renewable Energy Sources in Russia to the EU
3.00pm	Coffee Break
3.15pm	Panel 3: <ul style="list-style-type: none"> • Tomas Maltby (University of Manchester, UK) Europeanisation and Poland as an Energy Actor: the Country's Role in Developing a Fully Integrated Regional (and EU) Energy Market • Aleksandra Lis (Central European University, Hungary) Carbon capture and storage in Poland: national strategies and local controversies • Karoliina Rausepp (University of Aberdeen, UK) An Energy Island No More? The Baltic States and EU Common Energy Policy • Evan Thomas (Monas European and EU Centre Melbourne, Australia/Charles University Prague, Czech Republic) The Baltic Energy Market Interconnection Plan: Integration as a Source of Security?
5.15pm	Review and Final Comments
5.30pm	End of Workshop and Dinner at 6.30pm
