

## LTD PI Sub-Project Balance Query

This query uses a balance table in Agresso to give you a variance against budget for an individual sub-project.

## Instructions on how to run

Double click on the query which you would like to run in Folder 3 of the Agresso Tool-kit Menu:

This should open a pop-up box:

Column name	Туре	From	To	ОК
Costc	like			
Sub_project	like			Cancel
Spbudhold	like			

The pop box gives you 3 options:

Option	Option Description	Details	Example
Costc	Cost Centre	Structure within the University of Glasgow	10101000
Sub_Project	Sub-Project Number	Sub-Project is the 9 digit Agresso number provided for control purposes.	123456-01
Spbudhold	Sub-Project Budget Holder	The budget holder staff number	510629

Once you have clicked on OK, the system will retrieve the information requested.

Be aware that if you have requested a project with a large amount of information it may take a long time.

Your results should look something like this:
