

NETWORK FOR EARLY CAREER RESEARCHER DEVELOPMENT

NERD is a collaborative network that brings together early career researchers to provide career support, information and advice, foster collegiality, collaboration and sharing of resources and to better understand the challenges facing ECRs.

ICS is proud to be a part of the NERD network

WORLD
CHANGING
GLASGOW

As an Early Career Researcher (ECR) there are many competing pressures on your time and energy. The following resources may help you on your journey

CAREER PLANNING AND SUPPORT

See the following link for lots of useful information and tips on both academic and non-academic career paths:

www.gla.ac.uk/colleges/mvls/supportforresearch/nerd/nerdcareerplan

NETWORKING MADE EASY

NERD is a collaborative network that brings together early career researchers to provide career support, information & advice, foster collegiality, collaboration & sharing of resources and better understand the challenges facing ECRs. ICS is proud to be a part of the NERD network

www.gla.ac.uk/colleges/mvls/supportforresearch/nerd

The Clinicians in Research Network (CiRN) is a researcher-led network to support academic aspirations of clinically trained researchers.

For more details see

www.gla.ac.uk/colleges/mvls/researchimpact/supportingimpact/cirn

OTHER NETWORKING OPPORTUNITIES

Please see the PGR Blog for information on networking opportunities for early career researchers:

uofgprblog.com/pgrblog/networking-mentorship-made-easy

ICS MENTORING SCHEME

We are delighted to announce that ICS now has a specific mentoring matching scheme for Grade 6, 7 and 8 staff: see below for details

www.gla.ac.uk/researchinstitutes/cancersciences/guinfo/icsmentoringprogramme

GRANT AND FELLOWSHIP APPLICATIONS

ICS is developing a number of resources to help ECRs maximise their chances of success when applying for grants and/or Fellowships. We will help you at each stage of the process from:

- Identifying potential funders and schemes
- Developing a proposal
- Organising costings and approvals
- Internal peer review
- Mock interviews

See our Athena SWAN pages for more information:
