

Christopher Kennedy

Elected Professional Services (Support) Staff Representative

Christopher trained as a multi-skilled Audio-Visual Technician in the Events Industry and then at the University of Stirling before moving to the Dental School at the University of Glasgow in 2011. In his time working at the University he has been strongly involved in staff representation roles - both individually and collectively - through his role as Unite the Union's Treasurer and Lead Safety Representative at the University.

Christopher has sat on various committees at the University, including the Policy Review Group, the Technician Commitment Steering Group, and the Health Safety & Wellbeing Committee, as well as committees external to the University including the Higher Education Safety & Health Forum (HESH) and the Scottish Parliament Cross Party Group on Colleges & Universities.

Christopher has a professional interest in Technology Enhanced Learning, Widening Participation, and guided transitions into Higher Education.

Christopher is currently studying the MEd in Academic Practice at the University of Glasgow following completion of the PgCAP programme.

Christopher was elected by Professional Services staff at the University of Glasgow in August 2019 to be the staff representative on University Court.
