of Glasgow

ICAMS Open Forum 3 March 2022

Christian Delles

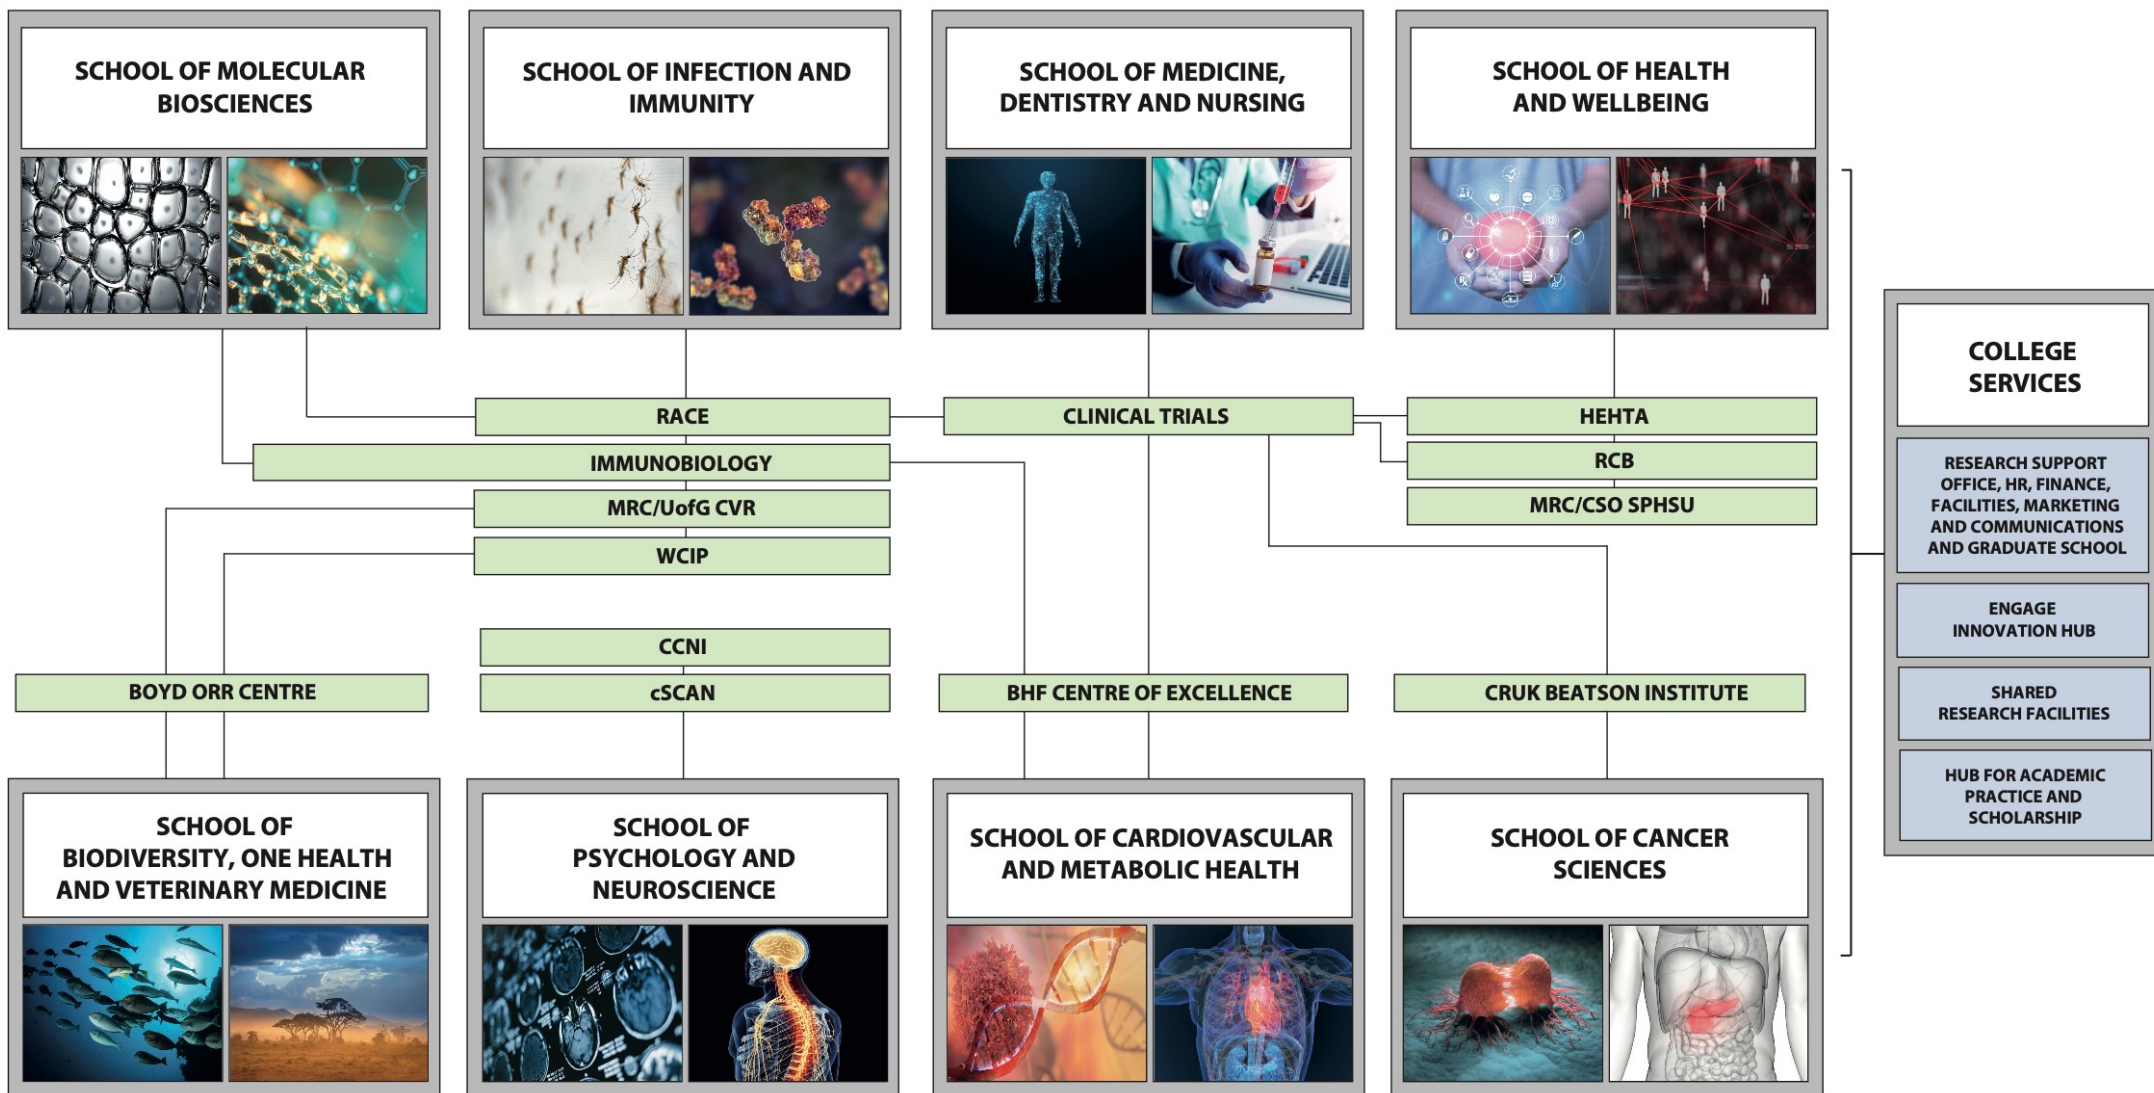

**Institute of Cardiovascular and Medical Sciences
University of Glasgow**

1. Update regarding ICAMS, College and University
2. Thematic Directors
3. Strategic Planning and new posts
4. Equipment
5. Infrastructure
6. Finances
7. Research and Centres
8. Teaching
9. COVID-19 related matters

- Gender based violence
- Athena Swan
- Early career support
- Website

All School names are for indicative purposes only. Further consultation will take place during implementation and names may therefore change.

- Craig Daly
- Ole Kemi
- Simon Kennedy
- Niall MacFarlane
- Shona McQuilken
- Victoria Penpraze
- Katherine Price
- Nairn Scobie
- Graeme Sills

Head of School

**Director of
Education**

Director of Education

Ref:
Closing date:

Job Purpose:

The role of Director of Education occupies a key position in the strategic leadership structure of the College and School. It carries with it a set of responsibilities that enhance student learning opportunities and the wider student experience, and the personal development of all academic staff who contribute to teaching in the School. Working with the Head of School (HoS), the College Dean for Learning and Teaching, and/or the Dean for Postgraduate Teaching, the post holder(s) will lead on the School's delivery of KPIs as defined by the College and Schools Education Strategy and other relevant /related strategies and policies. The post-holder(s) will be line managed by the Head of School (HoS), and take direction from and work closely with the College Dean for Learning and Teaching.

**Director of
Research**

Director of Research

Ref:
Closing date:

Job Purpose:

The Director of Research occupies a key position in the leadership structure of the School and has shared responsibility for School and College development and achievement of key goals. The Director of Research will be line managed by the Head of School, taking direction from and work closely with the Dean of Research. The Director will be responsible for:

**Director of Innovation,
Engagement &
Enterprise**

Director of Innovation, Engagement & Enterprise

Ref:
Closing date:

Job Purpose:

The role of Director of Innovation, Engagement & Enterprise occupies a key position in the leadership structure of the School. It carries with it a set of responsibilities for which the postholder is accountable, reporting directly to the Head of School, taking direction from and work closely with the Dean of Corporate Engagement and Innovation. These duties include a shared responsibility for School and College development and achievement of key goals.

- Clinical Senior Lecturer in Ischaemic Heart Disease
- Clinical Senior Lecturer in Heart Failure
- Biostatistician
- Lecturer (non-clinical) in Cardiovascular Pathophysiology
- Professor/Reader in Ageing and Health
- Research Assistant (non-clinical) in Cardiometabolic Epidemiology
- Technician (Grade 6) and Technician (Grade 7)
- Project Manager (Grade 6)
- Administrative assistant

- BHF GCRC Basement
- Fire: Baillie and Freeman labs
- Sir James Black complex
- Campus redevelopment

CAMS - Research Funds

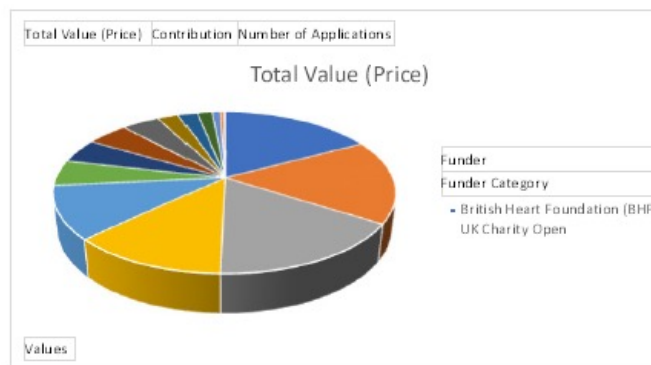

ICAMS Applications Processed from: 01/01/2022 - 31/01/2022

PI Name	Total Value (Price)	Contribution	Number of Applications
Professor Colin Berry	£2,280,828	£112,969	4
Professor Tomasz Guzik	£1,799,805	-£189,732	1
Dr Tom Van Agtmael	£678,027	£107,457	2
Professor Naveed Sattar	£589,447	£153,603	3
Professor John Petrie	£555,348	£146,499	1
Professor Jesse Dawson	£521,794	-£87,881	1
Professor James Leiper	£519,772	-£28,223	1
Dr Ninian Lang	£466,108	-£24,400	2
Professor William Fuller	£417,405	£108,473	1
Professor Mark Petrie	£396,101	-£38,802	3
Professor Patrick Mark	£353,858	-£4,371	4
Professor John McMurray	£298,273	-£8,547	5
Dr Pardeep Jhund	£245,323	-£17,087	2
Dr Eugene Connolly	£196,525	-£18,100	1
Dr Matthew Lee	£196,517	-£20,702	1
Dr Kieran Docherty	£196,517	-£20,702	1
Professor Godfrey Smith	£188,497	-£20,881	2
Mr Mark Danton	£175,729	-£153,709	1
Dr John Mercer	£150,000	-£25,289	1
Dr Niall Macquaide	£92,036	-£9,491	1
Professor George Baillie	£92,036	-£9,491	1
Dr Alyson Miller	£88,953	£0	1
Dr Stuart Gray	£88,953	£0	1
Dr Delyth Graham	£87,744	-£23,014	2
Dr Robert Lindsay	£4,480	£484	1
Grand Total	£10,680,076	-£70,935	44

- Overall healthy income from research and teaching
- PI incentives
- Strategic planning please!
- Adhere to agreed timelines please!

- BHF CoRE (Colin Berry)
- Proposed: Obesity (Jason Gill, Naveed Sattar)
- Proposed: Inflammation (Tom Guzik, Pasquale Maffia)
- Proposed: Cerebrovascular diseases (Lorraine Work, Jesse Dawson)
- Other opportunities including biomarker / heart failure research

Cardiac Diseases

- Ischaemic heart disease
- Heart failure
- Cardiovascular epidemiology
- Arrhythmias
- Cardio-oncology
- Cardiac remodelling

Metabolic Diseases

- Diabetes
- Obesity
- Lifestyle / Sports & Exercise
- Cellular signalling

Vascular Diseases and Comorbidities

- Renal diseases
- Stroke
- Cognitive impairment and dementia
- Hypertension
- Pregnancy
- Vascular remodelling

- Executive Committee members: C Delles, E Davies, J McMurray, G Smith, C Berry
- Head of Administration: J Blair
- Lab Manager: W Lee
- Chief Technician: N Britton
- Teaching: D Graham, S Nicklin, I Salt
- Research: Research Theme Leads
- BHF CoRE: C Berry
- BHF 4-Year PhD Programme: E Davies
- Athena Swan: L Work
- ECR Representative: J Fullerton
- ? Student Representative: NN
- ? Mid Career Representative: NN
- ? Clinical Liaison: NN
- ? Clinical Research / Clinical Trials Representative: NN
- ? TRM Representative

Undergraduate degrees coming to the new School:

- Physiology and Sports Sciences
- Human Biology
- Pharmacology

Postgraduate degrees remaining in the new School:

- Cardiovascular Sciences
- Diabetes
- Precision Medicine
- Sport and Exercise Science & Medicine
