

## Report of the last event

### **The President's Tea Party, held at the Leonard's Hotel, 28<sup>th</sup> January 2023.**

Very sadly, Past President Tina had to explain to the assembled members at the Tea Party, that our new President, Marlene Terry, was unable to attend this event as her husband Roy had died suddenly shortly before the event. There was a stunned silence and several people shared their shock, some of them having known Roy quite well, others remembering the Burns Night that the Terrys attended so recently. For anyone wishing to attend the funeral, the details are given below:

It will be held on Tuesday March 7<sup>th</sup> at 1.45 pm at the Bluebell Cemetery near Knockholt Station, Kent.

A service of Thanksgiving will be held at St Martins-in-the-Fields not before late April/early May.

The Leonard's Hotel provided a lovely venue and a very good array of sandwiches, scones and cakes for afternoon tea. Our speaker, one of our members, was Helen Cowie, Emerita Professor at the University of Surrey and the subject of her talk was "Cyberbullying and Online Harms at University".

As you will see in the background of the photograph, a large number of paintings were displayed on the walls which meant that a PowerPoint presentation was not possible. That did not matter. The talk proved to be both interesting and insightful and what's more, provoked discussion. Many thanks, Helen.
